**Technology For All** is a 501 (c) (3) nonprofit corporation whose mission is . .

***...to empower low-income and under-resourced communities  
through social enterprises using the tools of technology.***

We do this by partnering with...

***...local community-based organizations, educational institutions,  
corporations, foundations, technology providers, and  
the public sector.***

As we work together...

***...we create educational, economic and personal opportunities  
for the underserved and the communities in which they live.***

Over 40,000 lives per week are positively impacted by **Technology For All**.

Since 1997 **Technology For All--Houston** has developed supportive relationships with over 200 community-based organizations operating community technology centers (CTCs) that impact an estimated 20,000 lives each week in the Houston area alone.

**Social Enterprises**

**TFA-JobTech** – Document conversion and knowledge management business that provides a quality service to corporations while employing residents from the neighborhoods we serve.

**TFA-Wireless** – Wireless Internet services in low-income Houston neighborhoods.

**TFA-STARRS** – Secure Technology Asset Recycling and Re-deployment Services.

**TFA-Services** – Consulting services by TFA and its staff.
