Technology For All is a 501 (c) (3) nonprofit corporation whose mission is.
*...to empower low-income and under-resourced communities
through social enterprises using the tools of technology.*

We do this by partnering with...
*...local community-based organizations, educational institutions,
corporations, foundations, technology providers, and the public sector.*

As we work together...
*...we create educational, economic, and personal opportunities
for the underserved and the communities in which they live.*

Thousands of lives per week are positively impacted by **Technology For All**. Since 1997 **TFA** has developed supportive relationships with over 200 community-based organizations operating Community Technology Centers (CTCs) that impact an estimated 40,000 lives each week in the Houston area alone.

Social Enterprises

TFA-Services – Consulting services by TFA and its staff.

TFA-STARRS – Secure Technology Asset Recycling and Re-deployment Services.

TFA-Wireless– Wireless Internet services in low-income Houston Neighborhoods

We have service learning relationships with both Rice University and the University of Houston.
